

A couple of the myriad films I have made

A surf story set in La Jolla from 1979>1981. The La Jolla surfer choses the surfing lifestyle over his Beverly Hills girlfriend. She isn't happy.

A happy ending love story set during the Republican convention in San Diego in 1996. The story begins at Tioga Pass, Yosemite, before moving south to San Diego and finishing in the Mojave Desert. Below is the YouTube link to it.
